

Thank You!

In 2005, over 210 organizations and thousands of individuals lent their support to the United Way campaign, surpassing our goal and raising a much needed \$1,465,803. Corporations and schools, hospitals and nonprofit agencies, professional firms and labor groups all came together with United Way to help improve the lives of our neighbors. We are fortunate to have community-minded companies and individuals in Monroe County. Their dedication will be felt throughout the year.
