

United Way of Monroe County

2009-2010 Donor Choice Affiliates

Through United Way's donor choice program, contributors can direct their gifts to any eligible nonprofit organization in the community through the United Way campaign. Designated organizations must have a Section 501(c)(3) designation from the IRS and have a local presence. This list contains many of the eligible organizations in our community, with United Way member agencies shown in capital letters. If you choose to designate an organization not listed here, please provide contact information for that organization so that we can obtain the necessary documentation. Contact the United Way of Monroe County at 812/334-8370 with questions about the donor choice program.
