

# Health Care Enrollment Assistance

## Getting health care coverage for you and your family.

All U.S. residents are required by law to have health insurance. People without health care coverage may need to pay fines. If you are uninsured, there are coverage options that meet your needs:

- \* Affordable Care Act “Health Insurance Marketplace”
- \* Healthy Indiana Plan (HIP 2.0)
- \* Medicaid
- \* Children’s Health Insurance Program (Hoosier Healthwise).

Options available depend on your individual or family income.

The Health Insurance Marketplace sign-up period begins on **November 1, 2018** and ends on **December 15, 2018**. Be sure to review your coverage each year. You can enroll in the other programs listed above anytime during the year.

You can apply online at [www.healthcare.gov](http://www.healthcare.gov) or [www.hip.in.gov](http://www.hip.in.gov), or contact a local Navigator (listed on the back of this flyer) for application assistance or more information.
